NOTES: \* Extracted from WRPS Niche Records Management System on 9/30/2020 2:37:32 PM. Data from the comparable previous time frame is re-stated. 1. Statistics Canada's Uniform Crime Reporting (UCR) Survey was designed to measure the incidence of crime in Canadian society and its characteristics. See <http://www.statcan.gc.ca/> for more information. 2. This WRPS Criminal Offence Summary counts ALL UCR violations per incident reported in the specific time range (different from Statistics Canada's Most Serious Violation counting methodology). For violations against the person, counts are based upon the number of victims. Only UCR violations with counts are included in this summary. 3. NC represents "Not Calculable".
