

Disclaimer

The WRPS Occurrence data is a raw and machine-readable dataset that is intended to be read, analyzed and interpreted by software and analytics tools. Users of this data are responsible for reading and acknowledging the limitations of this data. WRPS discourages linking this data to any other outside dataset. **Any statements, conclusions, or publications based upon this WRPS data made by non-WRPS employees are without the authorization of WRPS and are not the opinion of the WRPS.**

General Notes

This dataset includes any intelligence note that was recorded between January 1, 2018 to March 30, 2020. Please note that the dataset provided contains the most recent information available . Data in the WRPS Records Management System is continually updated. As our data continues to be processed, the data may be amended through additions, subtractions or modifications to reflect the most current and accurate information. Any duplicated or information entered in error have been removed.

Please refer to the "Intelligence Notes Guide on using the intelligence note dataset" for more details.
