I, as the owner of or with lawful authority over such, hereby voluntarily turn over to the Waterloo Regional Police Service the following items for disposal or destruction:

I am aware that this amnesty provides limited protection from possession offences relating to the above items ONLY and does not include any amnesty regarding other offences that may be connected to a particular listed item or related individual.

NOTE: Firearms suspected as "crime guns" will be investigated thoroughly, including the Centre of Forensic Sciences ballistics testing, serial number restoration if obliterated and a trace of the origin of the firearm will be conducted.
